On Wednesday mornin by this new route. On weatherday incoming last the schooner Newhouse, with corn from Chicago, arrived at Port Colhorne, on Lake Erie. Her cargo was passed over the Welland Rallway, and re-shipped at Port Delhousie by the propeller Dubuque, and arrived in Oswego'st nom on the following day, (Thursday,) and at 4 o clock s. m. it was on Thursday,) and at 4 o,clock p. m. it York. Shippers in the West are patronising this route extensively, as it is not only the most expeditions, but the grain is materially benefitted by being shipped over the West.

The Cadets arrived on Saturday morning place was growded with eager spectators and subling assatiments, your committee have, with but two discining voices, embedded the joint decision in the following resolution, which they present to the Council, as their report, subject to the adjoin of the joint applicable was a subject to the adjoin of the joint applicable was a subject to the adjoin of the joint applicable was a subject to the adjoin of the joint applicable was a subject to the adjoin of the joint applicable was a subject to the adjoin of the joint applicable was a subject to the adjoin of the joint applicable was a subject to the adjoin of the joint applicable was a subject to the adjoin of the joint applicable was a subject to the adjoin of the joint applicable was a subject to the adjoin of the joint applicable was a subject to the adjoin of the joint applicable. splendidly precise," and "the mere performance of a built was worth a long walk to see. In the drill, the Zonaves completely took the conceit out of the crack soldiers of the city, The World says-"One thing is certainthere is an excess of spirit, and a perfection of drill, in this corps, which cannot be found in any company in New York State." This is high praise, The Cadets had themtion. They united, in a very high degree,
